Where's my puzzles can be accessed from your from your puzzles can be accessed from your puzzles can be accessed from your puzzles can be accessed from your from your from your puzzles can be accessed from your puzzles. How can I print? At the top left of the puzzle is a "Printable" button that will allow you to sign up for a plan or purchase a single puzzle. Once paid, the button will turn into a "Preview + Publish" button that will put the puzzle into a format that can be printed or solved online. Once the puzzle is published, you can click on the print icon or use the print feature of your browser. It looks strange when it's printed. Make sure you have published your puzzle first. See the 'How can I print?' section above for more information.99% of the other printing problems concern the settings, which can be expensive and frustrating, there are a couple of alternative solutions you can try. You can try printing from a different browser, from browser, from browsers have different default printing and words to the puzzle, save-asyou-go puzzle editing, the ability to access puzzles from any computer, a clean, ad-free interface, the ability to access puzzles from any computer. for friends and colleagues to solve online puzzles and quickly respond to reported problems. byist is the lowest priced service we have found that provides these features, and is designed for people who are not satisfied with what free sites are able to offer. I thought it was free, it must have been frustrating. We are constantly trying to provide you with a clear and direct user experience, and we don't try to hide the price on the page where you make your puzzle, the price is shown in the top left overview (before logging in), under the button "Create Printable" (After Unfortunately, we have limited control over how we present ourselves on Google and other sites, so if they show Crossword Hobbyist when someone is looking for a free site, we can't do anything about it. He says there's no account with my email. First, check if you used a different email address to create your account. Your login email is the email address where you received a welcome email from us. Alternatively, it is possible that there was a typo in your email when you created your account. If so, report a problem below and provide the name and the last four digits of the card you used at the time of registration. We will use this information to track your account. I get it to pay a second time. If you are a member of Crossword Hobbyist and are still in payment, then you may have inadvertently created a bill. Your paid account will have the e-mail address you received an e-mail that confirms the subscription. If you have never received such a email, or you can still find your paid account, report a problem below and provides the name and last four digits on the card you used when you have registered. We will use this information to track your account. My reset password does not work. For safety a human cannot see or restore the password, then read the information below carefully. If you have not received the password reset e-mail, check the spam folder, make sure you check the e-mail account to which the email has been sent and be aware that some school e-mail but the password is not accepted, make sure you are using the most recent password reset e-mail: sometimes people will hit the button twice, and only the second password will work. Make sure to copy the password to not get a space outside, or if you are typing, keep in mind that it is sensitive to the case and that a tiny can looks like the number 1, etc. How do you delete? You can cancel the subscription from the "My Account" page, which you can access using the navigation bar at the top when connected. Support representatives cannot cancel a subscription on your own. Not all my words are in my puzzle. When you press the Arrange button, our algorithm will try to organize all the words on the grid, and move the words around to try to adapt most of the words. This will get all the words on the grid. about 90% of the time, depending on the list of words. For the other 10,% will get an alert explaining that the words that did not adapt were added to And you win. Print on two pages. Large puzzles do not always print on a page. Clues and grids are the smallest that we can do to them while keeping them legible to everyone. Having said that, several browsers print in slightly different ways, so that you can using print preview using a different browser (or try the PDF button) to see if you like how it looks best. You didn't call me back. We generally respond to all the problems reported in about a day. If a few days have passed and you have not heard from us, it is possible that we have sent an email that has not reached you. Check your spam folder, and remember that some school email systems block emails from non-school addresses. Try to provide a different email address if you think our emails have been blocked. The answers last about a day. Try the quick answers above for a quicker resolution. Your emails Problem: Come back After the 30-day trial, you will be charged. Delete at any time. Your credit card will NOT be charged at this time.
